OUR PHILOSOPHY

Little Blessings Preschool is a Christian-based learning center designed for three through five year olds.

As a ministry of Holy Trinity Lutheran Church, we are designed to meet the early spiritual, social, physical and intellectual needs of children. Our goal is to foster growth in these four areas by providing a safe, nurturing, child-centered environment.

Children learn best through example and discovery. Stories, games, music, dramatics, art and structured play are utilized to build an early educational foundation. Consequently, activities will be commensurate with the child's age and maturity level. The specific skill areas addressed at this school include:

- ☺ Christian Education
- ☺ Fine Motor Activities
- ☺ Gross Motor Activities
- ☺ Social Skills
- ☺ Language Development
- ☺ Mathematics
- ☺ Scientific Discovery
- ☺ Music/Movement
- ☺ Dramatic/Visual Arts

BACKGROUND

Little Blessings Preschool was established in 2000 as a ministry of the church. A Preschool Board was established and in liaison with the

Church Council is responsible for oversight of the preschool.

CLASS SIZE

A maximum of 16 students per class will be enrolled in the Pre-K4 classes and 14 students in our 3 year old classes. There will be a Teacher and a Teacher's Assistant in each classroom.

OUR PROGRAMS

3-year-old Classes

Our 3-year-old program is designed for children who turn three by September 30 of the school year. These classes meet two or three days a week for 3 hours each day.

Goals for our 3-year-old program include large motor skills, small motor skills, self-help skills, language development, cognitive development, and social-personal skills. These goals are addressed through exploration of centers, circle time, story time, arts and crafts, outdoor play and small group play.

For most students, this class is their first school experience and with that in mind, the children are exposed to classroom skills; such as, how to share, stand in line, wait their turn, and listen when others are speaking.

Pre-K Classes

Our Pre-K program is designed for children who turn four by September 30 of the school year. These classes meet either four or five days a week for 3 hours each day.

Goals for our Pre-K program include large motor skills, small motor skills, self-help skills, language development, cognitive development,

and social-personal skills. These goals are met by building upon the foundations from our 3-year-old program and expanding the skills for kindergarten readiness.

Chapel Time/Prayer

As a Christian preschool, Little Blessings Preschool will promote the spiritual development of children by conducting Chapel Times for each class. These Chapel Times will combine Bible stories and songs that affirm God's love for each child. Prayers will be said during Chapel Time and before snack is eaten each day.

Music

Music is integrated into the preschool's curriculum throughout the day. The children's musical experience will include singing, listening, creating and moving to music. In addition to the classroom experiences, all classes have scheduled time with our Music Teacher and will participate in Musical Performances.

Science

All our classes will have Science with our Science Teacher twice-monthly. Children are naturally curious about their environment and we will foster this curiosity through age-appropriate experiments and activities.

Art Masterpieces

Our 4 year old classes will have Art Masterpieces twice-monthly. This teaches the children about famous artists and allows them to do a hands on activity that relates to the artist's work.
